Tutku Tours, with more than 25 years experience, is the agency of choice for colleges, universities & seminaries for their EDUCATIONAL TRAVEL PROGRAMS.

Cross-cultural Objectives for Students

- Experience a culture different from their own: its traditions and interpretations of reality
- Develop an appropriate sense of cultural relativism and reduce ethnocentrism
- Explore the paradoxes, tensions, and contradictions as well as the consistencies and values in another society
- Become aware of global inequalities and reflect on their own culture and society from the perspective of another culture
